The history of our academy goes back to 2010 when Sports Affairs was founded by sports enthusiast, Raezal Hussein. With its aptly titled tagline, “Unleash Your Passion” Sports Affairs was created as a sporting venue that provides world-class facilities while nurturing and developing athletes and untapped talents; providing everyone with the opportunity to participate in a range of sports at all levels of ability, including elite and performance training.

Rashid Sidek reigned supreme in the Malaysian badminton arena and stamped his world-class status when he won the men's singles gold medals at the 1990 and 1994 Commonwealth Games. His greatest achievement was eventually at the 1996 Olympics in Atlanta, USA when he clinched the bronze medal. Upon his retirement, he pursued a career in coaching with Nusa Mahsuri before being appointed chief coach for the singles division by the Badminton Association of Malaysia. Sports Affairs Academy is proud to have Rashid Sidek as our head coach for the singles category as he aspires to produce Malaysia's first Olympic champion from our academy.

Rosman Razak has had a well-travelled career, representing Malaysia at various international tournaments. Amongst his most successful stints include picking up the silver medal at the Southeast Asian Games in 1997 and 1999. His crowning moment to date was winning the men's doubles at the India International in 2001. Prior to joining Sports Affairs Academy as our Head Coach in the doubles category, Rosman was the doubles coach with the Badminton Association of Malaysia. He envisions producing one of the best Malaysian pairs who would rank in the world's top 16.
